PLEASE forgive my bad English and Thank You for giving me an opportunity to try again explaining what is requested.

While unsuccessfully attempting to receive small business services via the Small Business Development Center, I was advised to attempt to learn WHY nobody wanted to assist me. I'm a Carbondale native, my grandparents and parents are buried there and I even worked in Morris Library at SIU. I receive my Social Security and Veterans Administration pensions in Carbondale via First Southern Bank. Perhaps I have upset someone who has friends in high places, and if so then I need to see if they have discussed me or my Carbondale based LLC. So I asked your office for any emails that contain my name and/or 7Million Jobs, LLC. My interest was initially only with the SBDC, but now you indicate the possibility of 25 other branches or offices mayb be involved. I know the SBDC in Carbondale sent my files to State Director Ericka White, because they told me to contact her office. I also know she told a Mr Crawford Brooks who is an intern in the (DCEO) Dept of Economic Opportunity something about me and my LLC. I am rightly suspecting she has mentioned my name and LLC to others and want to know ALL information discussed concerning my tourism business plans. If others have written to SBDC about me and my business then of course I need to know the truth, the whole truth and nothing but the truth so I can decide whether or not Illinois is a good place for me to become successful.
